

Poway Woman's Club

Member: General Federation of Women's Clubs, Int'l.

To Whom it May Concern,

Poway Woman's Club will sponsor their 21st annual Student Art Exhibit, February 4th and 5th in Templars Hall, Old Poway Park. Our club conducts this exhibit to encourage students to continue with their art and to give them an opportunity to share their talents with the community. All students who enter will receive a ribbon.

Winners from this exhibit will be entered in the CFWC* Palomar District #24 Festival of Arts on February 21st. Their art work will be competing with work of other students in North County.

Students whose art places in the District will be taken to California Federation of Women's Clubs Convention, May 17th - 19th in Burbank. There they will compete with students throughout the state. There are some cash awards available on the state level.

Please support the Poway Woman's Club in their effort to provide a forum for students to express their creativity and encourage your students to submit art for this show in Templars Hall. If you have any questions, call Diana Smith, Art Department Chair, at 858-748-3383 or Joye Davisson at 748-7441. Please let one of us know, by February 1st how many pieces of art your students will be submitting. Included with this letter is the information regarding registration plus forms to attach to the artwork. Forms can be duplicated as needed.

Sincerely,

Joye Davisson
President
